17 POMROY ROAD

Card 1 Of 1 10/02/2020

A photograph showing a dense forest. In the foreground, there are several tall, thin evergreen trees, possibly spruce or fir, with dark green needles. Behind them, a layer of bare, light-colored deciduous trees is visible against a pale, overcast sky. The ground is not clearly visible, but appears to be covered in forest floor debris. The overall scene is a typical representation of a wooded area in a temperate climate.
