Hancock County is on Low Alert regarding the spread of Covid even though there have been many cases in our immediate area. We no longer require appointments but do recommend that masks still be worn and that you be conscious of social distancing. Hand sanitizer and masks are available at the door. Air purifier is now in use at the library so the door must remain closed. Library staff will be wearing masks until Hancock county is consistently Low or None regarding the spread of Covid.

Help keep our Community safe.
