MacQUINN QUARRY (JOY ROAD)**

Board Members: Doug Kimmel, Ken Emerson, Scott Dyer, Deb Foster, Meredith Akerstein; CEO Kevin Brodie

Representing MacQuinn: Stephen Salisbury, Mike Bunker

Doug Kimmel called the meeting at 4:00.

Steve Salisbury conducted the group to the site of Q-IV, where excavation has been permitted and is nearing completion, and adjacent Q-V, where MacQuinn is seeking permission to excavate next. He showed where the proposed excavation would extend, and pointed out a bushy area where reclamation is underway, a pile of preserved topsoil, and another of stockpiled rubble. He also described how MacQuinn notifies the public and nearby residents of imminent blasting, and records and reports the noise and vibrations it creates.

The meeting concluded at 4:15.
