All set for now- revisit at a later date

**Open Gym Recap:**

Was not worth it for the coaches time their volunteered, no students really showed up  
Next year look into open gym instead of alternating soccer/basketball

**Budget Meeting:**

Meeting last night went well. YMCA completed the petition- asked to be a supporting community. Next year sports- is it worth going back with the YMCA vs. doing our own schedule- this will be a discussion at a later date.

**Memorial Day:**

The town is looking for help and more involvement . The town would like to see students partake more- do speeches, have the band, show off art work.  
The parade route will be re-routed as there was a concern for traffic not stopping for emergency vehicles  
We will need to buy new bunting for the gazebo- what we have is faded
