Discussion about next steps

Plans for distribution of invitations/posters for proposed visioning sessions – 1. Hancock Grammar school session and 2. Summer resident session.

Poster will be created with the link to the survey and made available; May 13th Hancock election day voting table, May 14th Hancock annual town meeting and May 26th Memorial Day Park activities .

Review Updated Online Survey responses.

Renee gave video presentation.

Online survey data will remain open. Committee reviewed online survey questionnaire responses and graphics showing responses, % of responses per question etc.

Review progress to date on writing by the Musson Group

Matt Williams distributed and reviewed the draft comp plan sections covering: Existing Land Use, Natural Resources, and Housing. Q&A followed. Committee members received copies and at the next meeting we will discuss further.

Plan future Vision Session

Hancock Grammar School – Doug contacting school to set up date time and place for session coming up in June 2025

Plan Vision Session at West Hancock Fire Station – Fall 2025 session

Historical Society suggested as venue for seasonal residents August 2025 or possibly at Town Hall.

Next Meeting – Thurs. June 5, 2025
