**Comprehensive Planning Committee Meeting  
February 3, 2026  
Hancock Town Office – 6:00**

Attendees: Doug Kimmel, Ruth Franzius, Patricia Kontur, Ant Blasi, Chris Holmes, Brett Ciccotelli, Renee Duncan, Mary Turner

The minutes from the January 6, 2026 meeting were approved.

**Parks, Recreation, and Open Space**

We did a thorough proof reading of this section and made a few minor changes in wording and punctuation.

**Demographics and Economy**

We briefly reviewed these two sections, which still need data to be added. Members of the committee will do some individual proof reading before the next meeting.

**Community Resilience**

Ruth and Patricia have joined the local committee and they will write up a draft of what they think should be included in our plan. Several questions were posed which Doug has passed on to Matt.

1. Is it useful and strategic to have a separate chapter of resilience concerns or should they be integrated into the appropriate chapters?
2. How will the data from the survey be incorporated into the plan – as a separate section/appendix only or integrated where relevant?
3. Do Recommendations belong in the text of the chapters or in a separate section or chapter?

Our next meeting will be on Thursday, March 5<sup>th</sup> at 6 pm.
