

**Comprehensive Planning Committee Meeting**  
**July 2, 2026**  
**Hancock Town Office – 6:00**

Attendees: Doug Kimmel, Chris Holmes, Ant Blasi, Mary Turner, Ruth Franzius, Matt Williams

The minutes from the June 4, 2026 meeting were approved as written.

We reviewed both the Demographics and Economy sections which now include the graphics. We also looked at the draft of the Economy Goals and Strategies.

All the chapters have now been completed and Matt will be putting them out on Google Drive. Please review them for content and any typos. If you have any questions please email Matt. You can suggest corrections in the Google Drive and these will be noted but the only actual changes can be done by Matt. The Goals and Strategies for all sections will also be in Google Drive. All reviews need to be done by August 6<sup>th</sup>, which is our next meeting. At that time we will decide on the details of the public meeting which will be on August 17<sup>th</sup> at the Town Office.

Matt is leaving the area at the end of August so the public meeting will be his last visit with us. Noel Musson will also attend at that time and he will take over getting the plan through the State. On September 3<sup>rd</sup> we will go over any changes that resulted from feedback and then the Plan should be ready to send to the State. Hopefully by December it will have been approved and we can have a special town meeting to vote on it.
